Foundations is a course designed to provide a pathway to gaining accreditation to teach Religious Education in a Catholic school. The course is endorsed by Brisbane Catholic Education.

Accreditation requirements include four semester units of study in a formal qualification from any one or more of: Religion Studies, Christian Leadership, Theology, Scripture, Religious Education, Liturgy and Spirituality. This course provides four semester units of study that meet these requirements for accreditation to teach religion in a Catholic school.

Learners may choose to complete the course in one or two years. The course is made up of the following four semester units of study:

- **Learning and Teaching in a Catholic Context**
- **Scripture in the Classroom**
- **Spirituality in the Classroom: Church, Liturgy & Sacraments**
- **Catholic Thinking in the Classroom: Theology, Ethics and Catholic Social Teaching**

Upon completion of Foundations learners will be well resourced to teach Religious Education with confidence in a contemporary Catholic context. Successful completion of the course provides a nationally accredited Certificate IV in Christian Ministry and Theology (10433NAT).

"The course is well presented and thoroughly enjoyable. I have particularly appreciated how well the links have been made between the content of each of the units, the curriculum and our teaching practice." (2017 Participant)
